

Inmotion Conflict Minerals Policy

Supplier acknowledges that Buyer is required to comply with Section 1502 of the United States Dodd-Frank Wall Street Reform and Consumer Protection Act (“the Dodd-Frank Act”) and among other requirements must file disclosures and reports with the United States Securities and Exchange Commission related to the use of tin, tantalum, tungsten and gold (“Conflict Minerals”).

At Buyer’s reasonable request, Supplier must execute and deliver to Buyer declarations in the form of the EICC-GESI Conflict Minerals Reporting Template as adopted by EICC-GESI from time to time, or in any other form that Buyer reasonably requests.

Unless the declarations provided by Supplier pursuant to the prior sentence document to Buyer’s reasonable satisfaction that Supplier is “Conflict Free” (as defined in the Dodd-Frank Act) with respect to all items supplied to Buyer, Supplier agrees that it will source, and track the chain of custody of, all Conflict Minerals contained in any items provided by Supplier to Buyer in accordance with the OECD Due Diligence Guidance for Responsible Supply Chains of Minerals from Conflict-Affected and High-Risk Areas (or such other internationally recognized due diligence standard as Buyer and Supplier may jointly agree upon).
